PART VI—Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Department.

The following Bill was introduced in the Council of State on the 3rd August 1943:—

C. OF S. BILL No. 2 OF 1943.

A Bill further to amend the Indian Succession Act, 1925.

WHEREAS it is expedient to amend sections 213 and 370 of the Indian Succession Act, 1925 (XXXIX of 1925), in regard to testamentary succession of Indian Christians; It is hereby enacted as follows:—

1. *Short title.*—This Act may be called the Indian Succession (Amendment) Act, 1943.

2. *Amendment of section 213, Act XXXIX of 1925.*—In sub-section (*2*) of section 213 of the Indian Succession Act, 1925 (XXXIX of 1925) (hereinafter referred to as the said Act), after the word "Muhammadans" the words "or Indian Christians" shall be inserted.

3. *Amendment of section 370, Act XXXIX of 1925.*—In the proviso to sub-section (*1*) of section 370 of the said Act, after the word "administration" the words "or probate" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

Prior to 1901, Indian Christians laboured under a serious grievance, namely, that they were compelled to obtain probate of wills and letters of administration with liability to pay death duties on the death of every owner of property under the Indian Succession Act X of 1865, while Hindus

and Muslims were exempt from the provisions of the Act. They have since been partially relieved by being placed practically on the same footing as their non-Christian countrymen in cases of intestacy under the Indian Christian Estates Administration Act VII of 1901; but where the deceased has left a will, they are still bound to obtain probate and pay probate duty as required by section 213 of the Indian Succession Act, XXXIX of 1925, a section which does not apply to wills of Hindus, Buddhists, Sikhs or Jains except where such wills are of the class specified in clauses (*a*) and (*b*) of section 57 and to all wills of Muhammadans.

The necessity of making wills has been imposed upon Indian Christians by the provisions of the Indian Succession Act as to intestate succession being made, applicable to them, which are far in advance of their usages and are derived from English law. It is felt as a serious hardship that in such circumstances Indian Christians should be compelled to obtain probate and should be made liable to pay death duties while their non-Christian countrymen to whom wills are a luxury are exempt. From this injustice they should be relieved by placing Indian Christians on the same footing as Hindus and Muhammadans in sections 213 and 370 of the Act.

Calcutta, the 12th August 1943.

First Forecast of the Sugarcane Crop of Bengal, 1943-44.

(*Note.*—On an average of the five years ending 1941-42, the area under sugarcane in the territory to which this forecast relates has represented some 7·9 per cent. of the total area under sugarcane in India.)

Character of the season.—The weather and its effect on the cultivation and growth of the crop have been fairly favourable although the paucity of timely rainfall at places shortly after the planting had some adverse effect on the proper growth of the crop. The present condition of the crop is reported to be satisfactory.

Area planted.—The total area planted this year is estimated at 333,700 acres as against 299,100 and 302,000 acres shown last year in the corresponding and final forecasts respectively. The acreage as now estimated represents an increase of some 10·3 per cent. over the final forecast figure of last year.

Director of Agriculture, Bengal.

NOTICE.

No. 4515P.—4th September 1943.—Applications are invited for admission to the Prince of Wales's Royal Indian Military College at Dehra Dun. The College provides a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter a Cadet College, with a view to obtaining Commissions in the Indian Land Forces, the Indian Air Force or the Royal Indian Navy. It is intended for those who wish to make one of these services their profession in life, and parents or guardians of candidates will be required to furnish a declaration to this effect. The course of study at the College will be such that should a boy fail in the competitive examination for admission to a Cadet College or for entry in the Royal Indian Navy he will be in as favourable position for entry to a University as if he had been educated at an ordinary school. In this respect it is important to note that the College has been recognised by the Cambridge Syndicate for the award of the Cambridge School Certificate "A".

2. The next winter term of the College will commence from the 20th January 1944. For admission to this term a candidate must have attained the age of 11 years and be under 12 years on the 20th January 1944. This rule may be relaxed by His Excellency the Commander-in-Chief in the case of any boy under 14 years of age provided he has reached a standard of education which will enable him to take a place in the College appropriate to a boy of his age. The privilege will, however, be allowed in special cases only. Only Indian and Anglo-Indian unmarried boys who are natives of, or domiciled in, Bengal are eligible. The fee is Rs. 1,500 for each school year payable in two equal instalments of Rs. 750 each, one at the beginning of each term. Applications are to be made in prescribed form to reach the Secretary to the Government of Bengal, Home Department, Writers' Buildings, Calcutta, not later than the 30th October 1943. Forms will be available from that office on request.

3. Detailed particulars are available from the Regulations for the Prince of Wales's Royal Indian Military College, Dehra Dun, copies of which can be had on payment from the Manager of Publications, Delhi.

4. The Government of Bengal propose to offer three Scholarships, each of Rs. 1,000 per annum, and tenable for six years, to candidates who are

admitted into the Prince of Wales's Royal Indian Military College and whose parents and guardians cannot afford to meet the entire cost of maintaining the candidate at the College. One of these Scholarships is reserved for a Muslim candidate. The entire cost of educating a boy at the College is estimated at Rs. 2,000 per annum including the College fee. Half of this amount will be borne by the Provincial Government by award of a Scholarship and the other half will have to be borne by the parent or guardian. Applications for these Scholarships will also be in prescribed form copies of which, along with the rules, can be had on request from the office of the Secretary to the Government of Bengal, Home (Political) Department, Writers' Buildings, Calcutta. The application for a Scholarship will be received and considered by Government after the candidate has completed the first term at the College, and has shown satisfactory conduct and progress.

Office of the Secretary to His Excellency the Governor of Bengal

NOTIFICATION.

No. 412-H.—7th September 1943.—The following is republished for general information:—

OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

New Delhi, the 2nd September 1943.

No. 212-H.—His Excellency the Viceroy has been pleased to award the Indian Police Medal to the following officer:—

Bengal.

Name of officer and rank.—**Maulvi Ghulam Rabbani, Sub-Inspector of Police, Mymensingh District.**—*Statement of services for which the decoration has been awarded.*—On the 27th June 1943, at about 7-30 a.m., Sub-Inspector Ghulam Rabbani, who was officer-in-charge of the Hossainpur police-station, Mymensingh district, received information that a band of dacoits was proceeding by boat down the neighbouring river. Taking with him three constables together with two guns, twenty rounds of ammunition and three lathis, he set off in the thana patrol boat and eventually contacted the dacoits who opened fire when challenged, but without effect. In order to keep the dacoits' boat in view, the police party had to expose themselves constantly and several shots were fired at them by the dacoits and one constable was slightly injured. Their return fire however caused one dacoit to fall into the river. He was rescued and tied up in the police boat. The chase and the firing continued until the police ammunition was exhausted. Further ammunition was obtained from a local zamindar's kutchery, and three more rounds were fired at the dacoits, who thereupon stopped firing. The police boat then overtook the dacoits' boat, boarded it and overpowered the eight occupants of whom three had been seriously wounded and subsequently died. In this boat were found a stolen gun, *daos*, swords and two live cartridges together with some stolen property. The running fight between the police party and the dacoits lasted for nearly an hour, and Sub-Inspector Ghulam Rabbani displayed courage of a high order in the face of constant firing. His conduct was particularly meritorious, in view of the fact that on the date of this incident he had only 3½ years' service.

This award is made for gallantry under regulation (*d*) (*i*) of the regulations governing the grant of the Indian Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police.

No. 213-H.—His Excellency the Viceroy is pleased to announce that His Imperial Majesty the King, Emperor of India, has been graciously pleased to give orders for the publication in the *Gazette of India* of the names of Abdul Wahed Khan, Constable No. 869, Moslemuddin Munshi, Constable No. 738, and Chitta Ranjan Acharjee, Constable No. 25, of the Mymensingh District Police, Bengal, as having received an expression of Commendation for brave conduct.

The application shall be in such form as may be laid down by the Commissioners and shall be accompanied by a plan in triplicate on a scale of not less than sixteen feet to an inch, showing the whole of the drains and their sizes and gradients, the levels of the ground surface in reference to a datum specified by the Commissioners, and the position of every building, house-gulley, soil pipe, waste pipe, bath, privy or urinal in the premises which it is proposed to connect with the municipal underground sewerage system.
